

Return to Play Guidelines

IF YOU AREN'T COMFORTABLE RETURNING, THEN DON'T!

Parents

- Check child's temperature at home, players with 100+ fever stay home
- Wash child's gear beforehand
- Notify club immediately if child is sick or has fever
- Supply child with hand sanitizer
- Adhere to social distancing rules, don't enter rink
- Ensure child has own water bottle

Players

- 100+ fever must stay home
- Follow club's Return to Play rules, if not will be sent home & banned from return
- Wash hands thoroughly before/after playing
- Use your own water bottle, food and equipment
- Practice social distancing
- Keep bags 6 feet apart
- No hugging, touching or group celebrations

Coaches

- Follow Return to Play rules on/off the ice
- Ask players how they're feeling, send home sick players
- Coach is only person allowed to touch cones & training equipment
- Ensure drills permit social distancing whenever possible
- Model responsible behavior

Club

- Share and enforce Return to Play rules on/off the ice
- Ask players how they're feeling, send home sick players
- Respect concerns of both parents/players
- Provide adequate social distancing space at rink
- Provide ongoing updates & communication on return
