RAHA Board Member Responsibilities

The RAHA Board is a working board. The success of RAHA is incumbent on Board members committing to attending board meetings, serving on committees, and doing work outside of board meetings. Board members are required to serve on and actively participate on multiple committees, in addition to their position on the board. Board members also are required to attend 20 of the 24 monthly meetings during your two-year term, including the tryout meetings in October, as well as regularly attend assigned committee meetings. In addition, board members will be required to use MS Word, Excel and Powerpoint in their positions and be able to use email. And have fun!

Please describe your hockey background and experience:

- **Played hockey for Rosemount from 1995-2000**
- **Played 3 years of Varsity hockey at Eagan High School**
- **Played 3 years of Juniors in the USHL and NAHL.**
- **2016-present as a Non-Parent Head Coach for Bantam A and AA teams**
- **2015-2016 as a Non-Parent Head Coach for the Bantam B1 team**
- **2013-2015 as the Assistant Coach for the PeeWee AA team.**
- **2019 – Assistant Coach for the 8U Girls team as a parent coach for my daughter**

Please explain why you wish to become a RAHA Board member:

I love the game of hockey and I love living and coaching in Rosemount. I want to be able to contribute more in developing our hockey program, our talented kids and give back to the Rosemount community. I want to be apart of the future of Rosemount Hockey and help develop the future hockey stars of Rosemount. Being able to coach in this great program for the last seven years has been very rewarding. I would like to continue to coach and also be able to contribute to future decisions and help impact our program in the positive way possible.

What specific talents/skills would you bring to the RAHA Board?

Being a player, then a coach and now a parent; I am able to understand many different roles in our organization. This allows me to see the bigger picture and be able to help more effectively in providing solutions that are mutually beneficial for our hockey community as a whole.

Which RAHA Board Position/Committees would you like to get involved with (Equipment, Goalie Coord, Age Level Coord, Operations, Finance, Fundraising, etc)?

I would love to be an Age level coordinator, operations, any committee that helps with development. As a former goalie I also like the goalie coordinator position.

Please describe your past experience (volunteer, manager, coach, etc.) within the RAHA:

Over the past 7 years, I've been coaching at the Bantam AA/A/B1 level. Hockey is the best time of the year with all the involvement of the community and the fans. It's even greater when you get to watch the kids that you coach graduate and reach their goals and there future get even brighter.

Please describe other board experience, youth program experience, or areas of community involvement:

I'm a small business owner that takes a hands-on approach. I look for other opportunities to grow as a business and looking to apply that to the association. I have been apart of a growing hockey community in El Paso, Texas, learning the atmosphere and getting more kids involved and learning this great game.

Please identify any potential areas that may be a conflict of interest with any business or other association you may be associated with and your duties as a RAHA Board member:

None at this time
