Athletes that are identified as emerging elite will be placed in the NGB/HPMO High Performance Pool, hereinafter, “Pool”. Athletes must meet the classification requirements in 1.1.3 by 31 December 2019. Emerging elite will be identified within our NGB/HPMO competitive divisions, particularly recruiting within our youth/college division and/or developmental camps. Once identified, these players will be provided with Paralympic Development Program (PDP) pipeline resources to enhance their overall development.

Athletes identified as Men’s and Women’s National Team High Performance Pool will be placed in the Pool by the NGB/HPMO Men’s/Women’s High Performance Selection Committee (Referred to as “High Performance Selection Committee” in this document) (Section 2.3) prior to the commencement of camps in 2020.

Athletes are identified and evaluated throughout the quadrennial such that athletes that exhibit the necessary attitude, ability or potential to perform are eligible to be added to the Pool at any time.

Athletes are identified, evaluated and placed in the Pool by the High Performance Selection Committee that consists of the NGB/HPMO Chief Executive Officer and/or designee, Men’s/Women’s National Team Head Coaches and Assistant Coaches, two

members of the High Performance Committee, and two athletes meeting the definition of “athlete representative” per USOPC Bylaws.

- High Performance Selection Committee consists of (one committee for the men’s team and one committee for the women’s team):
 - Respective Head Coach (1)
 - Respective Assistant Coaches (2)
 - *High Performance Committee Members (2)
 - *Athletes (2), which may be the same or different 2 athletes

*Note: roles are not necessarily mutually exclusive

The respective High Performance Selection Committee brings their recommendations to the NGB/HPMO Chief Executive Officer.

Athletes who are members of the Pool may include the following:

- Prior U.S. National Team Athletes as selected by the U.S. Coaching Staff since 2008 Paralympic Games;
- Athletes identified due to their strong skills as outlined in Attachment B and through NGB/HPMO High Performance Tryout and Training Camp events;
- Athletes identified due to their strong skills as outlined in Attachment B and through NGB/HPMO Developmental camps;
- Athletes identified due to their strong skills as outlined in Attachment B and by NGB/HPMO staff, scouts, consultants or other wheelchair basketball coaches;
- Any athletes identified and selected by the respective High Performance Selection Committee; and/or
- Athletes identified due to their strong skills as outlined in Attachment B and by submitting videos or other relevant data to the respective High Performance Selection Committee.

Selection to the Pool at any time does not guarantee that an athlete will be selected to participate in any NGB/HPMO High Performance Program(s) or event(s) during the quadrennial including those described in these Selection Procedures. Athletes may be added to the Pool throughout the quadrennial. Athletes may be removed from the Pool at any time by the respective High Performance Selection Committee (Section 2.3). Athletes may also voluntarily remove themselves from the Pool by notifying the NGB/HPMO Chief Executive Officer in writing.

- 1.3. Provide a comprehensive, step-by-step description of the method that explains how athletes will go through the selection process (include maximum Team size).

A maximum of 40 athletes may participate in the 2020 U.S. Men’s/Women’s National Team January Selection Camp- see above schedule. The maximum of 40 athletes will

be determined by the respective High Performance Selection Committee. Athlete selection will be determined using the criteria outlined in Attachment B.

At the 2020 U.S. Men's/Women's National Team Selection Camps candidates will participate in drills and scrimmages that will give them a chance to demonstrate their individual fundamental skills and ability to play within the staff's playing system. ~~Two~~ **At least one** member of NGB/HPMO HP Selection Committee and the entire Men's/Women's National Team Wheelchair Basketball Staff (hereafter referred to as "NGB/HPMO Men's/Women's National Team Staff") will evaluate players during sessions of the selection camp on the specific skills and characteristics listed in Attachment B. Recognizing that a Team is more than the skills brought by its individual players, the, **at minimum, one member** of NGB/HPMO Selection Committee and the entire NGB/HPMO Men's/Women's National Team Staff will consider the mix of players in terms of positions, skills, sport classes, experience, match-up vs. international opponents, team needs, and player qualities beyond technical skills that contribute to the overall Team's success.

When the 2020 U.S. Men's/Women's Team Selection Camp is complete, up to a maximum of 20 players per gender may be selected for further preparation in the 2020 Paralympic Games event. The NGB/HPMO HP Selection Committee will provide final recommendation for the NGB/HPMO ~~Chief Executive Officer~~ **Board of Director President** to approve.

The NGB/HPMO Men's/Women's HP Selection Committee will ~~select~~ **approve** final 12 of the remaining 20 athletes for participation in the 2020 Paralympic Games, with the 8 unselected athletes serving as alternates, in the case a replacement is required.

- Men's final selection to group of 12 to take place at the completion of the May 2021 ~~24 – 31st~~ **19th – 30th** selection event. ~~camp and friendly competition~~
- Women's final selection to group of 12 to take place at the completion of the March / April ~~2021 February 6 – 9th 4th – 7th~~ selection event. ~~camp.~~

The NGB/HPMO may select an athlete from the Men's/Women's High Performance Pool as a replacement, where one of the 20 athletes may not fit the classification standard as needed for fielding a legal IWBF line-up during the 2020 Paralympic Games.

Final selection for the 2020 U.S. Men's/Women's Paralympic Team will be based on results of skills associated with Attachment B, training camps, competition against international players and discretionary criteria listed above.

The 2020 U.S. Men's/Women's Team representing the USA at the 2020 Paralympic Games will be made up of 12 players that have best met all of the criteria above, as well as Attachment B, and give the USA the best opportunity to reach their gold medal potential.

The IWBF allows only 12 athletes to be named to the final delegation roster for the event per gender. The up to 8 (8 women, 8 men) unselected athletes will serve as alternates for the 2020 Paralympic Games in the case a replacement is required. The NGB/HPMO may select an

athlete from the High Performance Pool as a replacement, where one of the 8 athletes may not fit the classification standard as needed for fielding a legal IWBF line-up during the event.

The NGB/HPMO HP Selection Committee and NGB/HPMO Men's/Women's National Team Staff will provide recommendation for 2020 U.S. Men's/Women's Paralympic Team for the NGB/HPMO ~~Chief Executive Officer~~ **Board of Director President** to approve.

Candidates invited to participate in the Selection Camp who cannot attend or fully participate in the camp due to illness, injury, or emergency may be selected to the Training Squad of up to 20 (twenty) if:

- Athlete has demonstrated significant potential, based on the Selection Committee's opinion, in the judged qualities from previous domestic and/or international events. The Selection Committee has the right to request video footage from the previous six months to help aid in the above-mentioned decision.
- The athlete(s) must provide adequate documentation that will support their reason for absence. This must be sent to the NGB/HPMO High Performance Committee before the beginning of the respective Selection Camp.

2. DISCRETIONARY SELECTION (if applicable)

2.1. Provide rationale for utilizing discretionary selection (if any):

Objective standards alone are not sufficient in evaluating athletes and building a competitive wheelchair basketball team at the international level. The NGB/HPMO will assemble a team utilizing NGB/HPMO and USOPC approved policies and procedures, including those included herein, that consists of players that compose the best team, not necessarily the best individual talents, and who are willing to make the commitment to participate to the fullest extent required by the NGB/HPMO. Wheelchair basketball is a well-developed sport in the United States and around the world. Athletes who progress to professional status and compete on teams overseas throughout the year may not be able to participate in designated tryout or training camps but remain in the Pool and are eligible to be named to the National Team. Discretionary selection is not a separate process but is a part of the primary team selection process.

2.2. List the discretionary criteria and explain how they will be used (if any):

The NGB/HPMO Men's/Women's HP Selection Committee will record their consideration of these other factors which may include:

- **Teamwork:** The willingness to accept a role that leads to team success.
- **Positive Attitude:** Exhibiting enthusiasm and support of teammates.
- **Versatility:** Exhibiting a balance between offensive and defensive skills as well as the ability to play multiple positions and fulfill multiple roles.

- Maturity: Exhibiting an ability to adjust to various situations and dealing with adversity. Adjusting to situations that are not going well and reacting appropriately.
- Coachability: Exhibiting the ability to process and incorporate input from the coaching staff.
- Experience: Number of years on the team and number of matches played.

Please also refer to the specific skills checklist in Attachment B.

- 2.3. Provide the name of the committee that will be responsible for making discretionary selections, along with a complete list of the members' titles currently serving on the committee:

NGB/HPMO High Performance Selection Committee

- 2020 Men's High Performance Selection Committee
 - 2020 U.S. Men's Head Coach
 - 2020 U.S. Men's Assistant Coaches (2)
 - *High Performance Committee Members (2)
 - *Athlete Representative per USOPC Bylaws (2)
 - NGB/HPMO Chief Executive Officer
- *Note: roles are not necessarily mutually exclusive
- 2020 Women's High Performance Selection Committee
 - 2020 U.S. Women's Head Coach
 - 2020 U.S. Women's Assistant Coaches (2)
 - *High Performance Committee Members (2)
 - *Athlete Representative per USOPC Bylaws (2)
 - NGB/HPMO Chief Executive Officer
- *Note: roles are not necessarily mutually exclusive

- 2.3.1. Specify the process that will be used to identify and handle any potential conflicts of interest involving a member of the committee.

Any member of the selection committee that has a possible conflict of interest must disclose it. If such conflict exists, the selection committee member must recuse him/herself from committee discussions and voting. Further, the committee member should not otherwise influence other members of the committee in the selection process. However, a committee member who recused him/herself, but who has relevant and necessary information with respect to athlete performance, for example a national team coach or high performance director, may, if requested by the selection committee, provide such information to the committee so long as such information is provided in a fair and unbiased manner and the committee member who declared the conflict of interest does not vote toward the final decision.

3. REMOVAL OF ATHLETES

- 3.1. Prior to entry by name to the Local Organizing Committee by the USOPC, the NGB/HPMO has jurisdiction over potential nominees.

An athlete who is to be nominated to the Team by the NGB/HPMO may be removed for any of the following reasons, as determined by the NGB/HPMO High Performance Selection Committee:

- 3.1.1. Voluntary withdrawal. Athlete must submit a written letter to the NGB/HPMO CEO/Chief Executive Officer.
- 3.1.2. Injury or illness as certified by a physician (or medical staff) approved by the NGB/HPMO. If an athlete refuses verification of his/her illness or injury by a physician (or medical staff) approved by the NGB/HPMO, his/her injury will be assumed to be disabling and he/she may be removed.
- 3.1.3. Failure to participate in Mandatory Training and/or Competition, or required sports services (e.g. Strength and Conditioning, Nutrition, Sports Psych) as defined in Section 9 of these procedures.

- 3.2. The USOPC's Code of Conduct and Grievance Procedures can be found at:

<http://www.teamusa.org/Footer/Legal/Governance-Documents>

- 3.3. An athlete may be removed as a nominee to the Team or from the Team for an adjudicated violation of IOC, Panam Sports, IPC, WADA, IF, USADA and/or USOPC anti-doping protocol, policies and procedures, as well as the U.S. Center for SafeSport Code, the USOPC Athlete Safety Policy and NGB/HPMO's Safesport policies, as applicable.

4. REPLACEMENT OF ATHLETES

4.1. Describe the selection and approval process for determining replacement athlete(s) should a vacancy occur:

4.1.1. **if replacements are needed, we will open our pool up to ensure we are able to meet classification needs therefore, any athlete meeting the eligibility criteria outlined within Section 1.1 will be given the opportunity to train and compete in 2021.**
