WELCOME TO ANOKA HIGH SCHOOL HOCKEY!

Good evening Tornado Hockey Fans,

Welcome back to another exciting season of Anoka Boy's Hockey and what promises to be a very competitive season. The coaches have been busy getting ready for the upcoming season with a very impressive schedule. The players have spent their off season playing in a variety of leagues, weight training and conditioning. As I walked the hallways of Anoka High School this fall the tone is extremely positive and excited for the upcoming season. The players feel they will be a strong force in the Northwest Suburban conference and have set their goals high for the season. This dedicated group of coaches and players are ready to embark on another exciting, fast skating and hard hitting season. This will be a great season for us!

As we begin the season, I ask that all fans here this evening, model positive spirit support for the players, coaches, referees and the opposing fans. At Anoka High School we impress upon our students to cheer for each other and to support each other in the wins and losses. I am asking that you give your support to our coaches and players at all times and to be positive in your actions and words while in attendance. Your positive support of our Anoka Boy's Hockey Program is important to our school, the players, the coaches, the parents and the community. I thank each of you for attending this evening and your continued support of Tornado Hockey. Good luck to the coaches and players this year and **GO TORNADOES!!**

As we prepare for the Anoka High School hockey season, I reflect on the excitement from last year and the enjoyment of watching the girls and boys skate. What stands out most in my mind, however, was watching the seniors in the middle of the ice, circling slowly after their last game in the Anoka Ice Arena. The emotions that were on the ice that day will forever be in my heart.

The 2014-15 school year has started with a state championship and many other successes. The vibe in our school community has been extremely positive, and we have seen record numbers in support of our programs. Our student fans have been great about choose themes and enthusiastically attending games. On many occasions, we feel that the student fans have been that 12th person on the team. The excitement throughout the school is electric, and we hope that the support of our hockey programs is just as high.

Hockey has a great tradition at Anoka High School, and I know our athletes have worked hard preparing for this year. We appreciate the parents and their families who continue to support our teams and who talk with their sons or daughters about how much they love watching them play. Here's to a great season. Best of luck to our boys and girls hockey players.

TO AN ATHLETE

There are little eyes upon you,
And they're watching night and day;
There are little ears that quickly
Take in every word you say;
There are little hands all eager
To do anything you do;
and a little boy who's dreaming
Of the day he'll be like you.

You're the little fellow's idol;
You're the wisest of the wise,
In his little mind about you
No suspicions ever arise;

He believes in you devoutly,
Holds that all you say and do,
He will say and do, in your way
When he's a grown-up like you.

There's a wide-eyed little fellow,
Who believes you're always right,
And his ears are always open
And he watches day and night;
You are setting an example
Every day in all you do,
For the little boy who's waiting
To grow up to be like you.

ANOKA TORNAADO HOCKEY CHAMPION'S CREED

If you think you are beaten, you are.
If you think you dare not, you do not.
If you'd like to win, but think you can't,
It is almost a cinch you won't.

If you think you will lose, you are lost.
For out in the world we find,
Success begins with a player's will;
It is all in a state-of-mind.

If you think you're outclassed, you are.
You have got to think high to rise.
You have got to be sure of yourself
Before you can win a prize.

Life's battles don't always go
To the stronger or faster man.
But sooner or later the player who wins
Is the one who thinks he can!
