## Road Clean Up

SYC is a proud participant of the Adopt a Highway program. Our assigned clean up area is located near the old SYC Office on Newington Road. Since our fall clean up day is scheduled on a FCPS student holiday, it's a great opportunity for the kiddos to get their community service hours done! Staff will be available to confirm hours. So come out and help us "make a difference" on **Monday, September 26 from 1PM-3PM**. Rain date: October 24. Kids must be accompanied by an adult.

## FEATURED SPORT

In addition to our SYC Recreational (Rec) Basketball Program, SYC offers a County Basketball program. The program is for 5th-8th grade players ready to participate in a higher level of competition. Unlike our Rec program where all registered players are placed on teams, **our County program has tryouts where coaches evaluate and select players for their teams.** Tryouts will be held the first week of October. Tryout registration is now open. **Tryouts are FREE, but players must be registered for tryouts to participate.**

Open gym is an excellent opportunity for players to be seen by County basketball coaches before tryouts in October and is also great for players who just want to play some basketball in a structured, supervised environment before the upcoming rec basketball season.
