Q: How does the insurance work with sports engine if someone is to purchase it, Like if I change my mind can I get my money back?

A: it is a medical insurance so if your child gets hurt during practice or games, you can get a full refund, not if you change your mind, you would not be able to get the refund.

Q: Last month I had mentioned coaches on the big 10 Bantam level that I have witnessed using profanities on the field, has there been any decision made or progress with this?

A: Yes, went over code of conduct with all head coaches and assistant coaches, we are still reviewing everything with each individual coach as well. We will go through proper channels and training this issue will be taken care of.

Q: For Jerseys should we still be sizing up?

A: On the website there is a size chart, I would suggest you size up to be on the safe side if child is between sizes.

Q: Are the bylaws updated? Are they available to view online?

A: They are updated, and we will be putting them online on our website.
