

**Lakeville North Boys Soccer Boosters**  
**Meeting Minutes / April 6<sup>th</sup> 2022**

**In attendance: Pete Tyma, Jeff Atkins, Zach Tefft, Shawn Kugler, Ann Zenner, Ben Brucciani, Mary Brucciani, Nicole Zich, Emily Liston**

**Coach Tyma updates:**

- New home (red) jerseys need to be ordered this year. School district will pay for 25 sets. Looking at a \$3600-4000 investment from boosters to purchase 80 sets.
- Do we want to look at any other opportunities for fundraising, especially with extra uniform costs? Some other programs have been organizing bingo at Angry Inch on Sunday nights. We would purchase gift cards to use for prizes. We could turn it into a community event. Perhaps right before season starts (Aug 14)? Zach said he can head up organizing.
- Spring meeting on 4/13. Will discuss HS summer camp (July 25-28), soccer tots volunteering, and season planning. Discussion around getting word out to incoming 9<sup>th</sup> grade athletes.
- Alumni game date: Tue Aug 30 or any day that week because there's no games
- Team sweatshirts: it would be nice to get design picked out and have samples to try on at Fall Meeting

**Booster updates:**

- These booster positions are open:  
Volunteer Coordinator  
Senior Night Coordinator  
Photo Coordinator  
Varsity Videographer

**Treasurer updates:**

- Off-season budget looking good, similar to what it was last off-season

**Coordinator & Other updates:**

- Shawn (Sponsorships): hopefully more companies will be receptive for Sponsorships this season. Also might be opportunity for dine-out fundraiser nights. Discussion on other ways to increase sponsorship.
- Zach (Winter Training): good attendance, especially at the Wednesday sessions, very successfully for first go-around with the dome, boys seemed to enjoy it
- Game Day Refreshments: new coolers are needed. Do we want to extend to other levels? Would need additional volunteers. Shawn will check with Cub to see if they can donate anything.
- Banquet: date is reserved for November 13
- Next season, look at doing an all-program dinner after practice. Shawn to check into food sponsoring options.
- Next season, make sure parents of JV, 10A, 9A teams know they can do pasta dinners, game day refreshments, etc.
- MNUFC night is set for September 3

**Next Booster Meeting:** late-July, to prepare for program meeting
