It's that time of year again. The start of the football season is right around the corner. Our five teams and cheerleading squads are looking forward to another great season. We see approximately 70 – 160 kids (ages 5 to 12) each year participating in our football/cheerleading programs. We have dedicated staff that prides themselves in ensuring each player is taught important life skills such as teamwork, sacrifice, responsibility, and hard work that will not only make them a good football player or cheerleader, but also a valuable member of our community in future years.

As our organization continues to grow and provide a top line football and cheerleading programs to the children of our community, we struggle to meet an increasing yearly budget. Most of our costs are those that are incurred through our constant commitment to keeping players and cheerleaders as safe as possible, also by providing insurance and top of the line equipment. Some teams pass this cost on by having the parents pay high registration fees. We would like to continue to avoid doing this, as it may take away from a low income or multiple children families the chance to participate. All players and cheerleaders participate in several fundraisers throughout the season to assist with such costs as uniforms and officiating fees. We also utilize a refreshment stand during our home games to assist us in additional revenue for our program. Even with all of this, there is still a great need for sponsorships from our local community and businesses.

At this time we would like to ask you to become involved with our program through a sponsorship from your business. By providing a sponsorship to the Richmond Oilers Youth Football and Cheerleaders your business will be provided with a tax deductible receipt for your year-end tax purposes. Please help us by becoming a sponsor. If you have any questions, please feel free to contact Matt Jackson, President at (281) 6426657.

Thank you in Advance,

Matt Jackson
