# Letter From the Director

Dear KCIC Skaters, Families, and Friends,

As we close this year's Spring Show, I want to extend my heartfelt gratitude to everyone who contributed to making this production such a success. Your dedication, enthusiasm, and commitment to excellence are truly inspiring. It has been an absolute honor to share this incredible journey with all of you. To our skaters—your hard work, perseverance, and passion for skating shine through in every performance. Watching your growth and confidence on the ice has been one of the greatest joys of my time here. I am so proud of all you have accomplished and of the way you support one another as teammates. To our families—thank you for your unwavering support and the many sacrifices you make throughout the season. Your encouragement, time, and dedication are the foundation of this program, and they never go unnoticed.

I truly believe that skating is a healthy and rewarding pursuit—whether your goals are competitive or simply for the love of the sport. As you head into summer and future seasons, I encourage each of you to continue building your skills, setting new goals, and embracing every opportunity to grow both on and off the ice.

To our volunteers, coaches, and KCIC staff—thank you for your tireless work behind the scenes. Your teamwork and commitment brought “In Season” to life and created a memorable experience for everyone involved.

As I say goodbye, please know how grateful I am to have been part of this remarkable community. Serving as your director has been a true privilege and an experience I will always cherish. While this chapter comes to a close, I have great confidence in the bright future ahead for KCIC and for each of you.

Thank you for the memories, the dedication, and the joy you have shared. I wish you continued success, happiness, and many more magical moments on the ice.

With sincere appreciation and warmest wishes,

Best wishes,  
Kay Olive  
KCIC Skate School /  
Spring Show Director

Hello KCIC Families,

My name is Gerianne Johnson, and I am excited to be joining Kansas City Ice Center as the new Skate School Director beginning in June. I look forward to meeting all of the skating families here at KCIC and continuing to help grow and strengthen the skating community.

A little about me — I began skating outdoors at my local YMCA when I was five years old. By age 11, I was helping with classes, and I started teaching lessons when I was 15. I earned my BA in Sports Management from North Central College and began working as an Assistant Director at Seven Bridges Ice Arena in 2010 before becoming Director in 2014.

I am also a member of the Chicagoland Learn to Skate USA Committee and have served on the board of the Northern Ice Skating Club for the past four years. Coaching has always been a passion of mine, and I love helping skaters develop both their creativity and their love for the sport. My coaching philosophy centers on helping students understand their own “why” so they can apply those lessons both on the ice and throughout their lives.

Outside of skating, I am the oldest of three siblings and a proud aunt to two nephews and two nieces — though many know me simply as “Auntie.” I also have a Pyrador named Beauregard, who will be staying in Chicago. He loves stealing socks and enjoying Kongs filled with treats throughout the day.

I am truly excited to become part of the KCIC family and cannot wait to meet everyone both on and off the ice!

Sincerely,  
Gerianne
