

## **MURRIETA BRONCOS**

### **JR. ALL AMERICAN FOOTBALL & CHEER**

#### **2021 REFUND POLICY**

If, for any reason, you decide that your son/daughter will not participate, or your son/daughter changes his/her mind about wanting to participate in Murrieta Junior All American Football/Cheer prior to the start of the season/during the season, there will be NO REFUND. Your payment will be considered a donation to MJAAF. Please understand that the league purchases equipment and fills team rosters based on our sign-up numbers. Changes made after sign-ups cost administrative time, money, and equipment that is left unused by the league when other potential participants could have used that equipment.

**In addition, due to the current situation with the Covid-19 Pandemic, the refund policy is set as follows:** If the 2021 Season should be shut down prior to the beginning of the season or immediately after Game 1 is played, and this occurs due to circumstances beyond our (MJAAF) control, we will issue a partial refund of the Registration fee (online processing fee is not included in the registration fee). We will retain 25% of the Registration Fee which is to cover uniforms, equipment, and administrative & logistical costs. Once Game 2 is played, there will not be a refund.

**For Cheerleaders:** Because the cost of uniforms and equipment is higher and the amount of uniform items required by each Cheerleader can vary (Returning/New), the refund amount cannot be the same as football, therefore Cheer refunds will have to be itemized by what each Cheerleader orders individually.

Thank You,

MJAAF Board
