A Warm Greeting from the Lowcountry Wildcats:

In South Carolina, we have a huge homeschool community. There are thousands of families teaching their children at home and coming together for extracurricular activities. Homeschool children have drama productions, Student Council, National Honor Society, yearbooks, prom, clubs, field trip groups, art, music, and more.

Another opportunity available to homeschool children is competitive sports. The Lowcountry Wildcats participate in the following sports –Basketball (Girls JV and Varsity, Middle School, JV and Varsity Boys), Double Dutch (Girls and Boys), Soccer (Boys), and Volleyball (Girls). (Lowcountry Wildcats Baseball is also available as a separate athletic association.) These teams bring homeschool children together under a volunteer coaching staff, allowing them to play against other homeschool teams, private, public, and magnet schools.

The Lowcountry Wildcats are part of the Low Country Christian Homeschool Athletic Association, a 501(c)(3) non-profit organization. Through the year, the teams incur expenses such as uniforms, facilities fees, equipment needs, fees for certified referees, plus state and regional tournament costs. These expenses are covered through player fees, fund raising and business sponsorships.

We are asking you to please consider becoming a sponsor of our basketball teams by purchasing advertising space. Depending on your level of support, you will receive verbal recognition, visual displays (posters, banners, flyers, email signature lines, Facebook and Instagram acknowledgements, etc.), and inclusion on future sponsorship apparel (i.e.: t-shirts noting sponsors) *.
