

Dear Basketball Players and Parents,

Good afternoon.

Shoreland Lutheran's boys varsity team opens WIAA State tournament play this week. Listed below you will find this week's schedule for the VARSITY boys.

Sophomore and freshman parents, please have your son return their home and away jerseys, as well as their practice jerseys (if borrowed) at your earliest convenience.

I will also be conducting exit interviews during the month with all freshman and sophomore players. I will try to conduct these during your son's study hall, so as not to disturb their schedule.

Varsity parents, our schedule for the week is listed below. I have also included a letter from Mr. Grow regarding Tuesday evening's playoff game here at Shoreland Lutheran.

Please feel free to contact me should you have any questions.

Have a great week!
