If 4 wins the race to the elbow and establishes position 2 gets them the ball

Snap 2 Zone Entry
2020

If 4 doesn't win the race to the high post, they immediately set a screen as the ball comes back to 1. 1 attacks to get "inside" the elbow and force x5 and x3 to defend.

*We emphasize setting a screen that forces x2 over the top of the screen but if they fight under, we hold our position allowing 1 an open shot at the top of the key.
