

EVJ-TEMPE AND EVJ-GILBERT OPEN HOUSE INFORMATION

The Arizona Region has established an **Open House** period for players and their parents to visit different clubs in an attempt to decide which club to tryout for and join for the 2018-19 season. The Open House Period is a 10-day period prior to the specific age group tryouts. EVJ Open House Schedule

Each session includes an open gym for the players. Informational meetings for the parents will take place in sessions 1 & 2. Informational meetings will start approximately 30 minutes after the start of open house. Players may attend any/all open house sessions at either location, however, you should **attend at least one at the location where you intend to tryout.** There is a nominal \$10 fee for each open house session the player attends.
