

Tea Parks and Recreation Policy for Rosters

Due to the complexity of doing rosters and schedules with a high number of participants, and multiple schools and towns. As a department we **WILL NOT** be taking roster requests.

How does Tea Parks & Recreation Split Up Teams for Recreation Programs?

- *This way is how we do rosters for most programs, but not all Tea Rec. Programs*

1. Put them in the correct Division/Gender Group
 - Example: 8U Boys & 8U Girls
2. Put at least two participants from the same grade and same school (if applicable) on the same team.

Example

First Name	Last Name	School	Grade	Division
Clark	Kent	Venture Elem.	1 st	8U Boys
Bruce	Wayne	Venture Elem.	1 st	8U Boys
Steve	Rogers	Frontier Elem.	2 nd	8U Boys
Tony	Stark	Frontier Elem.	2 nd	8U Boys

Exceptions to the Policy:

1. Siblings (brothers & sisters) will always be paired on the same team if they're in the same division and gender group.
2. A volunteer coach make's a request to co-coach with another parent. Then both of their kids will be on the same team.
 - We can only take one request to coach with one other coach. This is to make sure we don't have a team that has 4 coaches on one team, while another only has 1 coach.
