

NORTH AMERICAN PROSPECTS AND CSDHL HOCKEY LEAGUE SHOWCASE DIVISION

INFORMATION

Founded in 2009, the North American Prospects Hockey League (NAPHL) has established itself as the premier training ground for the development and exposure of 18U, 16U, 15U and 14U teams at the Tier I level. Each year, NAPHL teams compete in high-profile showcase events strategically located and timed to maximize scouting exposure. Each event is scouted by individual NAHL team scouts as well as the NAHL's Central Scouting Staff which tracks all NAPHL players throughout the year and sends individual scouting reports to junior teams and college coaches. In the past 9 seasons, the NAPHL has produced hundreds of alumni that have advanced on to junior hockey. In addition, dozens of players have followed the NAPHL's pathway to success from the NAPHL to the NAHL to NCAA Division I hockey. The NAPHL/CSDHL Showcase Division is for teams wishing to compete in a series of events culminating with a Championship in January. The NAPHL/CSDHL Showcase Division will capitalize on being a partner with the North American Hockey League along with partnering with the NAPHL.

Founded in 1999, the Central States Developmental Hockey League (CSDHL) is an established Illinois Hockey league providing development and promoting the advancement of hockey in Illinois and Central States region by offering, establishing, and maintaining the highest standards of excellence and sportsmanship in the individualized and team play.
