## **6. TERRY**

### **Field 3 at City**

Eric Wagner has sons who play baseball, has a landscaping company. He sent an estimate with three different options.

Terry also talked with Diamond Doctor as another option.

Needs a mound and home plate redone along with edging and new aggregate.

If you do a full tear down it's 4-6 weeks to be ready.

Can't be completely fixed before the season but we are going to get the fields playable. Bring in aggregate and cut the base paths to 6 feet wide.
