JAM TOURNAMENTS

March 1-3, 2024

What is JAM?

JAM is the year end tournament to determine the Snowbelt Champions. All JAM Tournaments this year will take place March 1-3, 2024. These tournaments take place in multiple locations with all Snowbelt teams having the opportunity to play against similar level teams as determined by the standings of the regular season. JAM Schedules are currently posted on the Snowbelt website for all games. Tournaments begin on Friday this week and champions will be crowned on Sunday. Good Luck to all EC Icewings Teams!

Why is it called the JAM Tournament?

John O. Abbott was a past President of the Snowbelt league. A native of Skaneateles, he had also served as President of Skaneateles' youth hockey association. John passed away in 1995. It was decided to name the end-of-season Snowbelt tournament in his honor.

The EC Icewings **12U1 team** has had a very busy couple of months on the road with tournaments in Hershey, Skaneateles, Watertown & Buffalo. The team has worked hard, played hard and they have seen great skill and player development. The team will finish their season on March 3rd.

Way to go Icewings!
