COMMON COUNCIL APPROVES \$500,000

\$5.0M OUT OF \$8.0M

On August 22, 2022, the Verona Common Council voted to approve an agreement to provide I.C.E., Inc. \$500,000 over ten (10) years with annual payments of \$50,000 per year. This agreement is a significant source of funding for the new arena. Many thanks to the council members' dedication to support the city and its community.

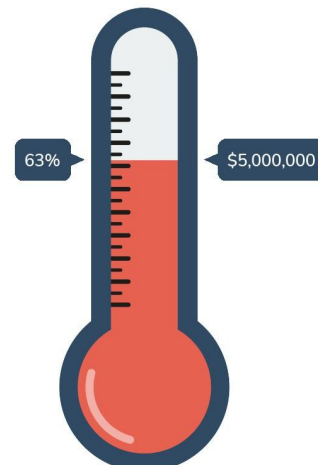

I.C.E., Inc. will continue its fundraising quest through multiple avenues. As a new season commences, look forward to more events on how you can help achieve this goal!

Gifts of any amount, large or small, are valuable to our mission of "Ice for Kids of All Ages," and your generosity is greatly appreciated. We have a PayPal option to donate and a donation form is available on our website.

NEW WAYS TO SUPPORT THE NEW RINK

Thank you to everyone who has already contributed to this campaign. Your support has sparked interest in new naming opportunities. After overwhelming demand, we no longer have arena/lobby seating naming opportunities available.

As requested, we have split the current community room (a.k.a. The Mezzanine), into 15 new naming opportunities at \$10,000 each. Sponsoring the community room will help build the rink and in time help renovate the upstairs. Your donation will be recognized on the donor wall as well as in the community room.

If you are interested in this or any other naming opportunity, please see our [website](#).
