Old Business

Approval of September minutes

- Tina Fouts reported that due to attendees leaving annual meeting prior to our ability to obtain a vote for the August minutes, these were disseminated to attendees via email and we received the required percentage of approval votes to gain approval of the minutes
- Also included in the email for approval, were the suggested bylaws changes. We received adequate number of votes to move forward with the bylaw updates as well.

- Updated bylaws will be uploaded to the website and emailed out to board members so that we all have a clean copy.

New Business

Elementary Duals

- Pat Culp reported that we will have a tournament meeting before our regular board meeting in November
- Big concern is set-up on Saturday night as most of our normal set-up people will be in Fort Wayne for Team state duals
- Everyone that is not involved with high school state will need to assist with set-up
- Equipment will be taken care of
- Ryan Parrish has a few changes that he wants to make with the duals
- Jason Miller spoke on Ryan's behalf.
- Would like to change weight classes – discussions of possibly going with USA Wrestling weight classes
- Jason Miller explained that coaches are having trouble filling the lower weight classes and the upper classes
- Pat Culp asked if we are talking about changing the classes for elementary duals state or for all tournaments.
- Jason Miller stated that they are looking at making the largest weight class to have a maximum of 175; making the weight classes possibly 43, 49, 54, 59, 63, 68, 73, 78, 84, 90, 98, 105, 112, 118, 130 and then maximum of 175
- Nancy Campbell asked for reasoning behind the proposed changes – discussions of difficulty filling teams and number of forfeits
- Explanations during discussion of some teams are always able to fill all spots but many have difficulty with lower and upper weights. Majority of teams have this difficulty with a few that don't.
- Would like to be able to give teams the ability to come and have the experience. Provides a more level playing field.
- Bart Welch made a motion to accept the proposed weight changes for Elementary State
- Brady Eppert seconded the motion, also to eliminate home school and private school not associated with a high school for the club.
- Motion passed unanimously
- Jason Miller asked to have this information placed on the website and social media
- Pat Culp is ready to open registration for elementary state, Jason Miller has had several teams questioning when they can register
- Decided to wait until November 1st, as we have done in previous years.
- Confirmed there is room for 16 teams in large division and 8 teams in small division

Tournament Committee update

- Mary Friedt made a motion to adopt the USA Wrestling/UWW weights, age groups and times.

Trackwrestling Proposal

- Pat Culp discussed the fact that we previously had voted on the contract proposed by Trackwrestling but they came back and gave us some good deals
 - ISWA can now get 20% discount on gold memberships

 - Free tech support for all sanctioned events

- Jean Whetstone recommended that we move forward with the revised contract

- Mary Friedt seconded the motion

TW Score Clock Integrator

- Pat Culp reported the order has been placed for the integrators but not yet received
- Once received will go to office and download to all computers
- Concerns about Trackwrestling deciding to change the codes so that the integrators no longer work
- Doesn't feel we should spend the money on the cost of Trackwrestling clocks
- Integrators are \$200 each
- Mark Durham notified her just before the meeting started that changing of the codes was a possibility
- May need to have a discussion with Justin at Trackwrestling – will check into it and get back to everyone

- Keith Davison will get back with Pat Culp once he hears back from Michigan and Ohio state chairs

Rebranding Consideration

- Keith Davison has asked Rudis (SP?) to re-work our brand in an attempt to stir things up.
- Doesn't feel our logo is broken but rebranding might bring excitement, possibly more dynamic
- Oklahoma was one of the better examples of a strong brand.
- Kansas went through a rebranding recently.
- Doesn't feel now is a good time, need to discuss further – evaluate and maybe roll out at the beginning of next year.

- Nancy Campbell agreed and she and Bart Welch believe this could keep some of the costs down
