

Good morning team!

My name is Dave Benson, and I will be your coach this season at GASL along with my awesome assistant coach Becky Benson. We are super excited to get started - practices will begin on Monday, 8/5 at 6:30 PM and will continue every Monday throughout the season. We'll be meeting at Field 16.

For the first practice, we'll spend a few minutes introducing ourselves and answering any questions from the parents. After that, we will need to pick a team name! I usually leave this up to the kids, so have your kiddo come up with a couple of ideas and we will vote on which one we like best.

For the first practice, please come prepared with the following gear:

Soccer cleats (Baseball/Football cleats with a toe cleat are not allowed)
Shin guards/soccer socks
Size 3 soccer ball
Water bottle

Next, check out our team webpage here:

{Insert link to team page here}

I will post our practice and game schedule (once the games are available) onto this page, and will use it to communicate with you all regularly. You can also download the SportsEngine app and get this information on the go!

Last, for information on our league and its philosophy check out the GASL Handbook here:

<https://www.sportingindianafc.com/gaslhandbook>

Thanks for your time, and I'm looking forward to a great season! Don't hesitate to give me a call, shoot me a text, or email me with any questions or concerns.

Dave Benson
