

## Bengal ACES Program

BYHA is proud of our players! We celebrate these successes in the classroom and on the ice. We strongly believe that student athletes balancing a dedication to schoolwork with the time commitment of playing hockey deserve recognition. Travel players that earn the equivalent of a 'B' average and higher are rewarded for their work at the end of the season through the ACES Program and Banquet. The end of season party is typically held at the end of March, after Anoka Hennepin Spring Break and Regional and State Hockey has concluded.
