

CENTER ICE ARENA, DELMONT, PA

Center Ice Arena reopened on Monday, June 8, 2020 with limited activities following an extended period of closure in response to the COVID-19 pandemic. As you are already aware, COVID-19 is a highly communicable virus that can cause severe respiratory illness, sometimes leading to death. **As of FRIDAY NOVEMBER 20TH**, the mask mandates for players on ice has been updated:

Based on the governor's 11/19/20 clarification on masks for youth athletes, the PAHL will continue to recommend masking at all times per the PA Guidance, but will defer to the athlete's choice only while they are wearing their helmet and mouth guard:

According to Section 3, the athlete would be asked to work through alternatives that would reduce or eliminate the respiratory droplets that would impact others in proximity. If the sport, equipment, or exertion level does not allow for face covering to be worn safely then the athlete should not wear a face covering.

Please refer to the full PA Guidance for Sports document updated 11/19/20 and posted on the PAHL website. <https://www.pahockey.com/covid19>
