Dear Members of the Board,

I would first like to thank you for taking the time to read my bio and consider me for one of the open board positions. My name is Shane Boettcher. I have a son that is in hockey and he has been given great opportunities to play the game because of the Cambridge-Isanti Hockey Association. I am interested in getting involved with the Association with the hope of presenting our kids every opportunity to develop not only as hockey players but also honorable and respectful individuals on and off the ice with a love for the game of hockey. I feel that I would be an asset to the board as I know the importance of working as a team to strategize solutions and find opportunities to enhance the hockey experience for our youth. I was born and raised in Isanti County and a graduate of Cambridge High School. Throughout my years of schooling, I was involved with multiple successful sports teams and other community programs. I adored my years learning to play and win as a team and if there is an opportunity for me to share those types of experiences with our young hockey player, I want to do what I can.

Sincerely,

Shane Boettcher
