Scholarship Program

Sioux Falls Youth Hockey makes it a priority to make sure that if there is a desire to play the game of hockey, we will not allow the cost to play get in the way. Thanks to our generous donors we able to provide those that need it a scholarship program to join us at the Flyers. If you'd like to sponsor a player in need please contact our Director of Development or our Director of Operations for more information.

Raffle Giveaways

- ❖ Donate a prize to be given away during annual raffle
- ❖ Recognition on Flyers website
- ❖ Recognition on raffle listing

Sioux Falls Youth Hockey Association

The Sioux Falls Hockey Association was formed in 1973. Currently the association consists of teams playing recreational and travel, boys and girls, ranging from four to eighteen years of age. A lot has changed in recent years and the association is poised to raise the level of hockey in South Dakota.

The Sioux Falls Youth Hockey Association strives to create opportunities from the casual player to the competitive. With our rec league program, players can stay right here in Sioux Falls and play hockey. If the player wishes to seek competition outside of Sioux Falls, or even the state, we have a variety of travel options that include state travel league and tournament teams.

The goal of SFYHA is make sure all players who'd like to participate at any of these levels are able to. Each year we seek sponsors to help make that possible regardless of a child's financial situation. Hockey is a sport that creates confident leaders, supportive team players and active community members. And we can't forget the agility, strength and endurance these athletes develop all while skating on a blade only an eighth of an inch thick.

Youth hockey is a club sport that requires all of our members to volunteer for community service projects and running the day to day operations of our program. The members provide countless hours to try to keep our program costs efficient and our players giving back the community that supports them.

Every year sponsorships help cover the cost of practice ice, referee fees and coaching expenses and help make this a sport that boys and girls all over the Sioux Empire can participate in. As a sponsor you'll be helping make the sport more accessible and help SFYHA provide more opportunities beyond just our local program. I hope you'll join us in helping children achieve their goals.
