Students should plan to practice in addition to their weekly lesson. We also offer several *Let's Skate Public Sessions* throughout the week at a reasonable price. In addition, students may choose to augment their lesson with a freestyle session. There are several half hour weekday freestyle sessions for students Gamma and below who are working with a private instructor. When a skater is recommended, they will attend the test session on **Wednesday, November 7** with a panel of coaches that will evaluate their skills to determine if they are ready to move to the next level.
