General Meeting

Welcome and Introductions-

Minutes from October- Approved to post

Treasurer's Report and income statements from Pat October earned \$7390.21. League fees for travel \$16155

Report of Committee- House update: Tim bits complained about fields but everything else was okay. Will address trainer raises before the December deadline. Would like to start a calendar for updates and when things need to be approved so we are ahead of everything.

Travel update: Registration is open only 226 out of 320 have completed registration. Split payment plans are always an issue due to health flex cards. 2/1 2nd payment is due.

Old business:

Need volunteers to get involved.

Checkers fundraiser- We received a \$800 check already still waiting for final numbers. The biggest issue we ran into was that everyone who came in needed to mention the fundraiser. Hoping for about \$1000. Looking to create a sponsorship package to offer a fundraiser.

Beth will take over the field coordinator role. Jeff Loga will take the equipment manager role. Will get in touch with Tom to get started. Will need to order balls in January but need to bring Kim into the loop and decide if we will continue to give free balls. **MOVED to January agenda**

Motion for Leaf donation: Approved up to 10K unanimous but Joe has reservations.

Will not have a December meeting. Happy holiday and stay safe.

Next meeting we need to visit

1. Bylaws and make amendments and conflict of interest signatures
