SPRING 2021 FIELD USE & SPECTATOR GUIDELINES

We ask that all LBYSO families abide by these guidelines at all games and practices.

Anyone who is sick or even thinks they are sick, STAY HOME.

PRE-GAME ARRIVAL

Except for those with first game set up requirements (goals, flags, field lining):

- Do not go to your field until 10 minutes before game start time.
- Wait a reasonable distance away until that time.
- Players can warm up in perimeter areas away from active games.

MASKS AND DISTANCING

- Players wear masks to and from the field and when inactive on the sideline.
- Masks are not required when playing.
- Coaches wear masks.
- Referees are not required to wear masks but should be distanced throughout.
- All spectators wear masks in the vicinity of the fields.
- Remain in your family group and maintain distance from other family groups.

FOOD & DRINKS

- Food and beverages allowed at fields but no sharing.
- Ideally, player snacks should be prepared separately by each family.

POST-GAME

- Teams do not line up and shake hands. Stand across from the other team and clap.
- Last game for U6/U8 games, each team have one parent return goals to the shed.
- Clean up your area of any disposable items and depart immediately.
