Help Support Youth Hockey in NoVA at the 2nd Annual Little Caps Classic Golf Tournament!

Dear Community Partner,

The Washington Little Capitals (WLC) youth ice hockey club is pleased to announce the **2nd Annual Little Caps Classic Golf Tournament** hosted by the Raspberry Falls Golf Club in Leesburg, VA on August 27, 2021. All proceeds from the event will benefit youth hockey through the **Osidach Memorial Fund**.

Promoting the Growth of Youth Hockey in Northern Virginia

Hockey is a great game, but sadly it is not accessible to all who wish to play. The Osidach Memorial Fund works to change that. John Osidach helped found the Little Caps nearly 40 years ago and spent 30 years working to develop hockey players in the Washington, DC area. Coach Osidach's lasting impression was seen in the grit, determination, love, and sportsmanship that the athletes he mentored went on to display – not simply on the ice, but throughout their entire lives.

In his honor, the Osidach Memorial Fund was established to award grants to WLC players in need, who embody the sportsmanship and passion for the game of hockey that would bring a smile to Coach Osidach's face. The Fund rewards players who are coachable, passionate leaders that demonstrate exceptional sportsmanship on and off the ice.

Support the Osidach Memorial Fund through Tournament Sponsorship Opportunities

To help young hockey players realize their aspirations, we ask for your support with the following Little Caps Classic sponsorship opportunities:

- **Underwriting Contests and Holes** – Sponsor Closest to the Pin contest or your favorite holes on Raspberry Falls' professional golf course. Your logo will appear on signage at the event and on our website.
- **Donating Items for Onsite Raffle, Silent Auction and Prizes** – Donate memorabilia, vacation stays, gift certificates, and other goods or services for our raffles and auction to be held the day of the event. Your logo and name will be listed on our event website.
- **Providing Items for Golfer Gift Bags** – Provide a souvenir for tournament participants. Put your logo on golf towels, water bottles, tees, and more!

Become a Sponsor Today!

Register as a tournament sponsor online at <https://bit.ly/3z5oiUD> or complete the attached form and email it to Craig Desjarlais at craigd@washingtonlittlecapitals.com.

On behalf of youth hockey players in our area, we thank you for your consideration and support!

About the Washington Little Capitals (WLC)

The WLC have competed at the Tier-1 level since 1983, making it the oldest Tier-1 hockey program in Washington DC. We have worked hard to become part of the fabric of youth hockey in the Washington DC area over the last 44 years and continue our commitment to player development today. We have roughly 120 USA Hockey registered participants each season playing at the 12U through 18U levels. Throughout our history, we have helped thousands of young men and women earn life lessons that have made them a success on and off the ice. We provide a fun, instructional, competitive environment for players to learn and love the game and chase their dreams of playing college hockey.

Our mission statement is to provide a competitive, innovative hockey culture that improves each player's skills and increases performance, while developing self-confidence, respect for the game, and fostering teamwork in our players. The Little Caps are committed to teaching individual and team concepts resulting in a life-long enjoyment of hockey, along with skills players need to succeed in their efforts outside the rink. We support the growth and progression of our players by providing a quality environment for learning the game by teaching:

(1) the value of preparation, discipline, and hard work to succeed in life's competitive endeavors; (2) long-term athletic development- learning new skills step-by-step at an accelerated pace; and (3) the ability to manage the high expectations of our program with living a balanced life and becoming a complete individual.
