

2025 Fall Tackle Football Bulletin #1- 9/24

TO: All 2025 Fall Tackle Football Commissioners and Coaches
 FROM: Cassandra Donelan, Executive Director
 SUBJECT: Schedule adjustments to Saturday 9/27 & Wednesday 10/1

Please see that all Coaches and parents are notified of the following changes. Thanks!

Thank you for all you patience as we work through the scheduling concerns. We are finalizing a complete season schedule addressing duplicate games and teams within the same organization playing one another. Below you find adjustments to this weekend 9/27 & 10/1 games. Because of the large number of changes, I have listed below all games with a note on changes. You'll see that there have been no changes to the 14U league for 9/27.

The remainder of the season schedule will be posted in the upcoming days. A notification will go out to all Commissioners notifying them when the remaining schedule is posted.

We are looking at significant amount of rain over the next week or so, if field closures were to happen we will look to play 9/28 on turf fields, please prepare your teams accordingly.

Saturday, 9/27
