Rules:

1. **School comes first.**
 - a. **Do your homework.** Failure to keep your GPA to a minimal level will result in the inability to compete.
 - b. Be in school. You must be in class every hour of every day. Unexcused absences must be cleared up within 48 hours. Failure to do so will result in you sitting out the next meet.

2. **Come to practice.**
 - a. Missing practice/being late/leaving early is generally unacceptable.
 - b. Acceptable reasons for leaving early/missing practice include illness, academic obligations, or religious reasons.

3. **You are required to come to meets.**
 - a. Unexcused meet absences will result in the inability to compete at the next meet.
 - b. Excused meet absences must be **pre-approved**, by coach Christina. Acceptable absences may be based on illness, academics, or religious reasons.

- c. Skipping a meet because you do not feel your routines are ready is unacceptable. If you need help or are feeling anxious, please talk to me. We will come up with a plan to help!
4. **No outside teams.** MSHSL does not permit gymnasts to be on another gymnastics team roster during season.
5. **Respect your body.** Eat well. Sleep well. Ice what hurts. Keep your mind in check. Ask for help when you need it.
6. **Injuries.**
 - a. If you are injured, you are required to work with the trainer.
 - b. The trainer and coach have the ability to pull you from a meet or event. If you pull yourself from a meet due to an injury and have failed to communicate with the trainer or coach, you will be unable to compete in the next meet.
 - c. Injuries do not excuse you from practice. You will be assigned duties that will help the team, such as critiquing routines, playing floor music, or helping with administrative duties.
7. **Golden Rule:** No bullying, negative gossip, or any form of negative treatment towards your teammates or coaches, inside or outside the gym will be tolerated. In our gym, you will cheer on your teammates, and you will help them become better gymnasts and people. We respect each other's unique skills and abilities.
8. **Talk to your coaches.** If something is interfering with your practice/competition/life, please talk to a coach. Before you ask your parents to call or email Coach Christina to talk about something that's bothering you, please come to me and let's try to get to the root cause of the problem to see how we can work together to find a solution.
9. **Dress code:**
 - a. We warm up in **warm** clothes. You can run and stretch in pants and a long-sleeve shirt or sweatshirt.
 - b. We train in leotards, shorts, (if you choose) hair tied back and out of your face. For safety reasons, we do not allow baggy shorts or t-shirts on the equipment.
 - c. If you have grips, braces or beam shoes, they are part of your equipment and need to be in the gym with you every day.
10. **We all train and compete all-around** at the discretion of your coaches.
11. **To compete for our team, you must meet minimum requirements on each event.** This is for the safety of the gymnast and the coaches. Routines must be performed independently.
12. **Enter the gym with a good attitude.** We are here to work hard, to learn, to improve, and to have fun. As much as possible, please leave your outside struggles at the door. This gym is a safe space to become the best athlete you can be.
13. **Meet conduct.**
 - a. In order to compete, you must be at the meet during the scheduled warm-up time. Failure to attend the entire warm-up will likely result in the inability to compete for safety reasons.
 - b. During meets, you are to be with your team at all times. Even if you are injured, you are not to be sitting with friends or others. If your team is not competing, you are to be preparing for the next event or cheering on your other two teams.
 - c. Stay after home meets until equipment and chairs are put away. Parents and friends of Rochester Gymnastics are always welcome to assist us in this process.

14. **Appreciate our fans!** Please wave, wink, and smile at them during meets. When the meet is over, feel free to say hi and thank them for their attendance. Then report to the floor for awards. **You may leave when all equipment is put away.**
15. **Ride the bus.** Athletes need to ride the bus to and from meets. The bus will **depart from and return to Friedell only**. A schedule of departure times will be provided at a later date. Parents need to be prompt in picking up your daughters once we arrive back in town. We will always return to **Friedell**. Your daughter will call you about 20 minutes prior to our arrival back at Friedell. Should an exceptional circumstance arise, an official travel release form printed and filled out by the parent **must be given to Coach Christina on or before the pre-meet practice to be excused from riding the bus.**
16. **Fundraising.** Our team is responsible for paying for new uniforms, meet fees, and for new equipment. It is your responsibility as a member of this team to participate in these efforts. This year we will be holding a few fundraisers. We appreciate your willingness to support our fundraising efforts.
17. **Equipment Care:** We worked really hard to raise funds for our leotards. They are **very** expensive. You are solely responsible for all care/cleaning of the garments during the season and returning them at the end of the season. Please take time after meets to clean them appropriately. The directions say to hand wash in cold and hang to dry, It also states no harsh detergent or fabric softener or dryer sheets. Using these will result in the rhinestones falling off. Please be mindful of that. We will not get new uniforms for a long time. Help keep them looking nice.

Please join us in asking your daughters to commit to their teams and their practices both in attendance and attitude. Please join us in asking your daughters not to gossip negatively about their teams, teammates or officials in person or via social media. Please don't approach judges.
