PRESIDENT'S NOTE

Six years ago, when the Fort Wayne Amateur Hockey Association was formed; combining both youth travel hockey and Fort Wayne high school hockey our goal was to take more of a long-term development approach for our players from the first time they stepped on the ice to the end of their youth hockey career. In order to do this, we needed to partner with the SportOne Icehouse staff and the great hockey community, we are so fortunate to have in Fort Wayne, to create a curriculum based on development for all of our players at every level and every age.

As we reflect on the past six years it's awesome to see how our teams have evolved and the players developed. Our High School teams continue to improve and compete at the highest level with Carroll in the State Championship finals in the 4A division and Leo in the 2A division. Our Prep Team, the Renegades, also was in the State Championship finals. Our travel teams have completed their fifth season in Little Caesars Hockey League as an entire association. We have continued to see all of our teams move up in the divisions competing at the highest levels within the league. A testament to our players, coaches, and the development focused program we have put together.

It's awesome to see the number of past players who are coming back to coach our teams. The majority of which do not have any kids in the program, but are giving back to the hockey community with their dedication and knowledge to make our players better.

While we have had great success over the last couple of years, the board continues to strive to make our program one of the best in the region. The board continues to find ways to make improvements to ensure all of our teams are competing at the highest level.

On behalf of the entire board I want to thank everyone for a great season! We look forward to another great year for the 2023-24 season.

BRODY BURGE #44

Growing up a rink rat, Brody fell in love with hockey while watching his older brother deliver huge hits, make sweet shots, and have fun with friends. Brody's first team experience was roller hockey at 4 years old with coach Kaleigh Schrock. At 6 years old, he finally hit the ice and worked his way through Fort Wayne's learn to skate and house league programs, select and travel teams, and now as a Carroll Charger. Brody was fortunate to have been coached by greats including Brian McComb, Ron Leef, Tom Bunn, DJ Fisher, Mike Biachi, his current Carroll coaches, and the most impactful of all, his family. Brody's hockey accomplishments include earning Fort Wayne their one and only Silver Stick International Championship and most recently, earning Carroll the Indiana State High School Hockey Championship title, where Brody scored the overtime winning goal.

CARSON CARTEAUX #50

Carson began his love of hockey when his grandparents built an ice rink in their backyard when he was 6. He initially started out as a player, but quickly realized that goalie was the position for him. He played on many travel teams over the years before joining the Carroll Chargers Hockey team as a Freshman. Carson was honored and proudly wears the "C" on his jersey this year, accepting the responsibility to lead the team along with many others. Through the years he has had many great coaches that have helped him along the way, but he is especially thankful for Coach Sean Asiala for helping him become the goalie he is today. After graduation, Carson plans on attending Trine University to pursue his interest in mechanical engineering.

CAMDEN DREXLER #15

Camden Drexler started playing organized roller hockey at the age of 7 after teaching himself how to skate. After a couple of years, he decided to give ice hockey a try and was quickly hooked. After 2 years of house hockey and a move to Fort Wayne, he gave Select hockey a try, where he was quickly identified as a team leader. After playing JV his freshman year, Camden has played 3 years of varsity for Carroll earning an "A" his junior year and "C" his senior year. Although not often seen on the scoring sheet, his leadership skills are always recognized by his teammates and coaches. Camden has formed a great group of friends throughout the years and has made being a parent easy. Camden you have made your Parents and Grandparents extremely proud. We will all miss watching you play.

HUNTER DRINKALL #28

Hunter had skates on at an early age thanks to his Dad, who played high school hockey for Penn. Hunter went through all the programs and played House until Coach Bunn suggested he should be playing Select during his second 12U year. From that point, his love of the game, desire to continually improve, and commitment to his teammates went to a new level. Cut as a freshman by the Vipers during their first year, Hunter was picked up by Carroll in the open draft. He's remained with Carroll all four years. Hunter is still deciding which Indiana college he will attend and is currently considering a business degree. He does know that his desire to continue playing will always be there, as will his friendship with his teammates over the years.

MAXWELL FIEDLER #17

After seeing his cousin play high school hockey at age 7, Max wanted to learn how to skate. From there it snowballed into what it is today. Max was the assistant captain on the Renegades his freshman year and has played for Carroll since his sophomore year. His favorite hockey memory was winning the state championship last year. Off the ice Max enjoys roller hockey, lacrosse, and spending time at the lake. Max has always had a great work ethic and plans to attend college at Indiana Tech for Construction Management. We have loved watching you play and develop as a hockey player and more importantly a young man. We can't wait to see how far you'll go from here.

CORBIN KLENKE #9

Corbin Klenke joined the Carroll Hockey team as a freshman where he currently plays defense for the Chargers. Corbin has enjoyed playing defense around great teammates, new and old. His family wishes him the best in his future endeavors.
#rollbolts

NICKOLAS TIGNER #55

Nickolas Tigner's love for hockey began at a very early age. He started skating at the age of 5 and played house league and then travel as a squirt. His best memories were playing for Derek Booth, a scout for the Chicago Blackhawks, on the Sylvania Northstars team and getting to play in Canada. Nick attends Churubusco High School and has played for Carroll all 4 years. He is currently doing a Co-op program at C&A Tool and plans to continue his career there after High School.

CAMDEN DREXLER

*Nothing has brought us more joy than watching you do what you love. It's been a fun ride. Your future is bright.
Love you, Mom & Dad*

NICKOLAS TIGNER

*Congratulations Nick! Always remember you can achieve anything you want in life. All you have to do is believe that you can. We believe in you.
Love, Mom and Dad*

CARSON CARTEAUX

We have truly enjoyed watching you play over the last 11 years. You started off as a skater but quickly realized your love was being a goalie. We can't wait to see what the future holds for you!!

Love, Mom, Dad, Dylan & Ethan

Throughout this journey we have enjoyed watching you grow on and off the ice. Enjoy this year as we know you will. Do what you can in life and don't wait for the whistle!

Additionally, Landyn played Lacrosse for Homestead in his Junior and Senior year along with joining the Jr. Spaceman Hockey team (18U travel) in his Senior year. Even through a significant injury on the ice, breaking his tibia and fibula in 2015, Landyn continued to follow his love of the game and within 10 weeks was back on the ice playing the game he loves. Hockey has taught him teamwork, discipline, and the ability to learn and handle winning and losing. He's created good friendships and learned constantly more about the game with each season, each team, and various coaches he's had the honor to play with and for. He started playing on a family friends' pond, quickly buying into the game he played multiple years of competitive hockey at the select and travel levels. Aaron has played for the Leo Lions all four years of his high school career, playing all kinds of roles within the team. He enjoys spending his time away from the rink immersing himself into the livestock industry. Aaron has shown pigs, goats, and steers in 4-H and currently holds an officer role in his FFA chapter. Aaron's favorite part of the livestock industry is judging, throughout the past years he has competed at area, state, and national level contest.. winning the state contest this last year and placing 3rd high individual at the American Royal national contest. Aaron plans to attend Blackhawk College in Illinois to pursue an education in Animal Science, while still judging on the livestock team.

He has also played for the Fort Wayne Force the u18 Spacemen and this is his 4th year with the Leo Lions. He also plays lacrosse for Leo. He is undecided on his future plans at this time.

CHRISTIAN BROWN #11

Christian started playing hockey at around 4 years old. His mom was happy to find an outlet to burn off some of his energy. One of his first instructors was Kaleigh Schrock, who got him off to a great start. Over the years, he started with House, moving on to the Select Teams, and finally playing for the Fort Wayne Vipers. Christian's favorite hockey memories include winning the Silver Stick International Tournament in Canada for McComb's select team, and when he was finally old enough to legally check players. After graduation, Christian plans to continue working with Unifirst in shipping and receiving.

ROBERT GROSS #96

By the time Robert was 3, he could name all the NHL teams by their logo. His love of hockey just continued to grow from there. He started skating at 3 1/2 and hasn't stopped since. Robert has played with the Fort Wayne Komets, PSM Force, Fort Wayne Vipers, and Team Indiana. His leadership skills has earned him captain this year. Robert is very grateful for all of his coaches over the years who have believed in him and provided encouragement. He has made many life long friendships and great memories over the years (remember the Pink Palace?). After high school, Robert is hoping to continue playing hockey at the juniors level and continue to grow his game.

DARCY KOCH #49

Darcy has played hockey since he was 8 years old. He started with learn to skate for hockey and transitioned to hockey fundamentals and then jumped into Mites house league. He took to it right away and has loved it ever since. His ultimate goal is to play professionally at some level. He hopes to be able to play Juniors next year. He likes his 1966 pontiac lemans (its his good luck charm before games) and he loves his cat Vladimir.

BENJAMIN MARQUES #1

Benjamin has played hockey since he was 7, and has loved being a goalie since his first time in net. A favorite hockey memory is when he told Mike Embach of the Komets that he was a goalie (around age 9-10) and Mike jokingly told him he was crazy! Benjamin currently attends Northrop HS and plans to study astrophysics or aerospace engineering next year. He is also involved in Scouts BSA and the children's ministry at Covenant UMC, among his other activities.

KEATON RICE #2

Keaton began his hockey at the age of 3 in the learn to skate program at McMillan. He's played on many teams throughout his journey. He played house league for many years until starting his travel journey with select hockey. Moving up to full travel he played on the Force team as a defense man. His sophomore year he made the Fort Wayne Vipers where he played in multiple positions. He is very proud to wear the "A" on his jersey this year. He gives 100% every game and encourages his team mates to do the same. He would like to thank his past coaches and family for all of their help and support throughout his journey in hockey. Keaton's favorite memory from hockey would be scoring 2 goals at Yost Arena (Michigan University). Keaton has many offers to play Lacrosse at the collegiate level and plans to study Exercise Science at the school he chooses.

JOHN SPEER #18

John began playing hockey at age 11, participating in house league, Force Select and Travel teams and finally high school where he played for one year with the Leo Lions and three years with the Fort Wayne Vipers. A highlight of John's career was his Force Bantam Select team winning an International Silver Sticks championship in Canada. John is grateful for his many coaches over the years. Most important to him are the great friendships he has made with his teammates. John is undecided on his future plans but there will most likely be a few rodeos along the way.

ELIJAH WESTHOFF #15

Elijah started playing hockey in 2012. He has played travel with the Fort Wayne Komets, PSM Force, Fort Wayne Renegades his Junior year, and joined the Vipers his Senior year. His most memorable hockey memory is scoring a shorthanded goal to send his PSM Force team to the finals, and they became the 2019 LCAHL Bantam AA Smythe Champions. Eli has enjoyed all of the friendships he has made throughout all of his years of playing hockey. He hopes to continue spending time on the ice in the future while he pursues his degree in Accounting.

DARCY KOCH

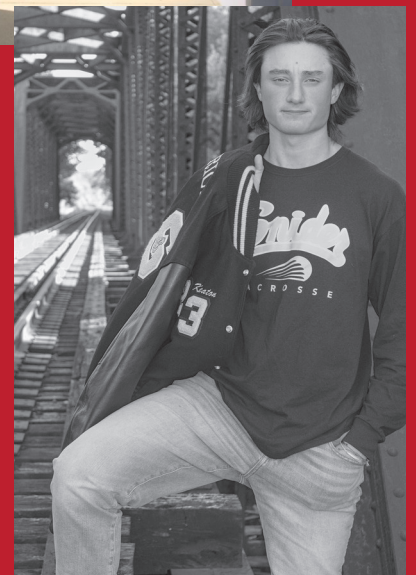

We are so proud of you and what the future holds for you. We love watching you play and hope to do so for many years to come.
 Love,
 Mom, Chad, Jesse, & Grandma Char

KEATON RICE

We are so proud of your hockey journey. You are a great example for any hockey player to model after. You are always the bigger person on and off the ice! We love watching you play and can't wait to see where life takes you!

Love,
 Dad & Mom
