

CASCADE FC

Refund Policies

This document describes the refund policies of Cascade FC for various programs operated by the Club. In general, these are the policies that will guide refund decisions in most scenarios. However, it is recognized that special circumstances may exist that would cause these policies to be adjusted. The SnVYSA BOD authorizes the Cascade FC Director of Operations to adjust the refund policies on a case by case basis at his/her sole discretion with or without notice. Any such adjustment shall not cause a precedence to be set for future decisions.

Tryout Fee - No refund is provided for missed days.

All CFC Training, Camps and Academies - No refund is provided for missed days or voluntarily leaving a program after registered.

League Program

Injury. If a player is injured and cannot participate in practices and/or games and the recovery period extends beyond 90 days, a refund of \$100.00 per month up to a maximum of \$900.00 is available starting with the first calendar month that begins 3 months after the injury. The period of refund shall not exceed nine (9) months. The refund period will expire when the athlete returns to participation in training and/or games, the parent of the player being responsible for notifying Cascade FC when the player returns to play.

For any injury so serious it results in the player's immediate removal from play for the remainder of the season, the refund period will begin in the first month following the injury. A letter from the doctor will be required outlining the injury, treatment and time frame for recovery. The refund shall be \$100.00 per month remaining in the season, not to exceed \$900.00 for the entire year.

Voluntary Departure from Club. Should a player voluntarily leave within 6 months of assignment to a team, a maximum refund of \$500.00 is available. The 6 month period for all players ends Oct 31. There will be no refunds for voluntary departures from the club after 6 months.

Transfer Out of Area. Should a player leave the Club due to a family move out of the area (more than 50 miles from the player's original distance to Jeanne Hansen Community Park in Snoqualmie), a refund may be provided according with the following schedule: \$100.00 per month starting the month following the move, not to exceed \$900.00 for the entire year.

Amounts Paid Into Team Accounts. In all scenarios above, fees paid to team treasurers for the costs of team operating expenses may or may not be refundable depending on whether funds have been expended. The team manager and treasurer have the discretion to determine if a refund will be given. Since this could be any amount, it should be dealt with on a case by case basis.
