## Why use a digital training academy?

- Players can work on their skills and conditioning on their own time, and in the off-season!
- Complete daily and weekly workouts, earning prizes along the way!
- Training library where players can choose from a variety of video resources to work on specific skills.
- Compete with teammates, hone your skills, and take your game to the next level!

## Why TeamGenius?

- Used by over 500 athletes in the U.S & Canada.
- Trusted by major governing bodies and professional hockey teams, like the Ontario Minor Hockey Association and the New Jersey Devils.
- Workouts designed by former NHL captain Bryce Salvador
