

# Triphahn Center Ice Arena

## Spring Hockey League – COVID Protocols

All participants and coaches must abide by the following guidelines. Failure to abide by the guidelines may result in cancellation of program enrollment or program rental.

### OVERALL GUIDELINES

- Masks are required at all times – including on and off the ice.
- Six feet of social distance must be maintained.
- Anyone entering the building must be free of any COVID symptoms, including fever-free.

### PLAYERS

- Players may not arrive earlier than 15 minutes from program start time.
- Players are strongly encouraged to come dressed to play.
- Locker rooms will be open if necessary. (Locker rooms will not be secure so please do not bring valuables into the rink.)

### SPECTATORS

- One parent/guardian per player may enter the facility.
- Masks must be worn at all times.
- All other spectators can watch both rinks via LiveBarn subscription. (Use promo code: ffd6-acca to receive a 10% discount).

### GROUP SIZE

- Group sizes will be limited to 50 people (including coaches, players and referees.)

### COVID SYMPTOMS, EXPOSURE or DIAGNOSIS

- Anyone reporting COVID-19 symptoms should get a COVID-19 test and quarantine until results are received.
- Anyone exposed to someone diagnosed with COVID-19 must:
  - Quarantine for at least 10 days from date of exposure OR
  - Get a COVID-19 test on the 5th day of exposure and quarantine for at least 7 days if test result is negative.
- Anyone diagnosed to COVID-19 must quarantine for at least 10 days from receiving test results.
