Youth Hockey Covid Requirements

The Laramie Ice & Event Center is evaluating the changing environment surrounding the Covid-19 Delta Variant on an ongoing basis and has used guidance and regulations from the CDC and US Ice Rink Association to determine our best practices. The following requirements are in effect for users in the facility.

1. **Guests who are feeling unwell will be asked to leave** to avoid potential exposure to the Covid-19 virus.
2. **Guests shall maintain a distance of 6ft.** between one another whenever possible.
3. **Face Coverings are requested to be worn in the facility** at all times except as specified below.

FACE COVERING EXCEPTIONS

- i. When a guest is **seated and consuming food or beverages in the lobby.**
- ii. For **skaters when they are on the ice** (during games and practices).

We appreciate the partnership with our user groups and expect that the Laramie Amateur Hockey Club will require compliance by their participants, spectators and visiting teams. These requirements will be enforced and guests who refuse to comply will be asked to leave the facility.

The Laramie Ice & Event Center will continue to evaluate changes to the Covid-19 response and additional changes may be implemented at any time. These changes will be effective as of **Tuesday, September 7th.**

Respectfully,

Laramie Ice & Event Center Management Team
