Game Day Practice Fields

- Highland Park High School athletics has generously allowed us the use of the girls' softball facility for stretching and warm-ups (throwing & catching). There will NOT be lacrosse cages on the warm-up field.
- Game start times control the warm-up field schedule with the two teams playing the next immediate game being granted exclusive use of the warm-up field. Warm-up field access begins at the start of the immediately preceding game.

Team Facility Access and Check-In Procedure

- See the attached map/diagram for **Player Drop-Off and Entrance** (via bus, parents, or independent player travel).
- A Team Liaison/Host will be assigned to each team upon arrival. Once the team is fully present and assembled, the Team Liaison will escort the team to their assigned locker room. Except for the first game each day, teams get locker room access in the 2nd Half of the immediately preceding game.
- 10 Field Passes (5 Coaches allowed in the team box, 1 Team Trainer, 1 Equipment Manger, 2 Scorer's Table, and 1 Team Photog). Sideline limits and entrances/exits limits must be strictly adhered to.
- Highest seed for each game is the HOME team and will wear white jerseys. VISITOR will wear dark jerseys. The Home team will occupy the West bench (nearest the video board and to the right of the scorer's table when facing the table), with the Visiting team occupying the East bench.
- Water cows or water coolers will be provided for both teams.
