

HELLO!  
I'M YOUR MATCH  
OFFICIAL TODAY.  
LET'S HAVE A  
GREAT GAME!

BE FAIR, BE RESPECTFUL, IT'S A GAME.

**Everyone deserves to be treated fairly.**

We are **all** still learning.  
We are human. We are not perfect.

As Match Officials, we attend education sessions, read the rulebook, and stay up to date on the Laws of the Game. We are certified, and passed courses to be here.

We are not professional referees, we do this part-time.

We love soccer, and want you to love soccer too.  
We **work hard** so that **all** can **play**.

**Kindness and respect are essential to keeping soccer safe.**

**2025 PROVINCIAL  
IMODEL C1  
CHAMPIONSHIPS**  
THE ZANCHIN AUTOMOTIVE SOCCER  
CENTRE, VAUGHAN, ONTARIO

The “Integrated Model” (IModel) is an Ontario Soccer approved pilot project for the Central, South, West and East regions of Ontario and with play-in opportunities for competitive level teams from the North. The IModel is designed for boys and girls youth competitive level teams (U13-U17) competing in the LTPD “Soccer for Life” pathway and below the Ontario Player Development League (OPDL). The IModel pilot project is administered in partnership with Ontario Soccer, its member District Associations and designated league service providers.

The Provincial IModel Championships features Competitive 1 (C1) level IModel teams who are winners from their respective regions, travel (one time) to the Zanchin Automotive Soccer Centre in Vaughan, Ontario in the Fall.
