12U	2007 & 2008	\$300	18U	01, 02, 03 & 04	\$375

REGISTER ONLINE BY MARCH 21 & SAVE \$30

FOURTEEN SKATES!

All B, A and AA players only will participate in an evaluation skate in mid-April at the location where they registered and will be drafted onto a team that will represent that rink. Teams will be formed from one pool of players registered in a division at one location. If there are not enough players at one location then teams can be formed between rinks that are close in distance. Each team will then be provided with a schedule that has two practices and 11 games (first round of playoffs included). 10U and 12U will have 12 minute stop-time periods/50 minute games and 14U and 18U will have 15 minute stop-time periods/80 minute games. All teams will make the playoffs. Playoffs will be a single-loss elimination format and will be played at one location the last weekend of the league (tournament weekend atmosphere).

GREAT SCHEDULE!

Every effort will be made to develop a consistent schedule that will end in mid-June. Games will be scheduled against teams drafted at Suburban Ice Macomb, Onyx Rochester, John Lindell Royal Oak, Suburban Ice Farmington Hills and Novi Ice Arena with minimizing travel time as much as possible. If necessary to play a game against another team that is further away, weekends will be used. No games will be scheduled on Easter, Mother's Day and Memorial Day Weekend.

UNIFORMS!

Players will be provided with a team jersey and socks prior to the first game.

PLAY WITH FRIENDS!

Although players will be evaluated and assigned to teams to ensure a competitive level within each division, we will try to honor requests for friends to play together on the same team whenever possible. Please indicate on your request on the registration form. NOTE: All players requesting to play together MUST attend the evaluation skate.

REGISTRATION DEADLINE - March 21, 2019

Full payment is due with registration. No refunds will be offered after March 21. Prior to that time, there will be a \$25 fee on all cancellations. A \$40 fee will be assessed for all NSF checks.

USA HOCKEY REGISTRATION!

Players and coaches must be registered with USA Hockey. If you are NOT registering at the rink that your player played at during the 2018-19 season you will need to provide your USA Confirmation #. You can obtain a copy of your player/coach number at www.usahockeyregistration.com/duplicate_request_input.

COACHING DISCOUNTS!

We appreciate you volunteering to coach a team with us. Please fill out the registration form and indicate you are volunteering. Head coaches will receive a 50% rebate and Assistant Coaches (limit 2 per team) will receive a 25% rebate after the 5th game of the league. Coaches are required to attend the evaluation skate to assist in the team formation process.
