One of the topics we will be discussing during the kickoff meeting will be rules proposals. We do not plan to spend a great amount of time on presenting them, so Director DeSpirt was kind enough to compile an updated summary of the rule proposals with votes from the summer meeting.

Please review them before the 11th and we will be open to discuss any that may effect your association or anyone wants to review. his will give the District 4 Council the best understanding of the needs and desires of the associations to effectvile vote on the proposals during the MAHA Winter Meetings.

If everyone can also please provide a headcount of how many from your association will be attending.

Subject: MAHA D4 Kickoff Meeting - 8/11/2025

Hello Association Leaders,

MAHA District 4 will be holding our 2025-26 season kickoff meeting on **Monday, August 11, 2025, at 6:30 PM.**

We are narrowing down a location, which I will share in a follow-up email.

If there are changes in your association leadership, please share the new emails with me so that everyone can be included in this distribution list.

Association participation is very important in making sure that your teams are educated and prepared for the season. We work very hard to make sure that everyone has the information needed to be in compliance and are here for those who seek the help. Our district council will continue with the stance that "I didn't know" is not an acceptable answer.

Everyone should already be aware, that Affiliate Agreements are due August 31st. <https://www.maha.org/localprograms> We will be requiring single entry forms house teams with only one association team at the age group, and remember to send draft dates to both me and your assigned district director.

Thanks,

John
