In 2020 outdoor youth athletics faced unprecedented challenges due to the COVID-19 pandemic.

For the 2021 playing season, our governing body, Baseball Ontario, has provided guidance in the form of the **Return to Baseball COVID-19 Guidelines**.

FACT: In the 2020 playing season for those Toronto organizations that opened, spanning over 4000 players, only 2 kids got the virus from NON-Baseball related activities. So all baseball activities in 2020 that followed these protocols were kept safe and healthy.

West Hill Baseball **will** adhere to the protocols listed in the **Return to Baseball** document to ensure a safe and healthy 2021 season.

This means that we will need even more volunteer help this season, as each team will need a **Head Coach, Team Manager/Asst. Coach**, and a **Health and Safety Manager**.

To help with the requirements outlined by the **Return to Baseball COVID-19 Guidelines**, Baseball Ontario has provided the **ON-DECK** app for instant updates, attendance trackers, etc.

Make Memories

Our kids learn the value of sportsmanship and how to play in a group dynamic – PLUS, they have fun!

Interested to UMPIRE?

Playing baseball is a starting point for our kids. As they grow with the game, in the year that they turn 13 years old, they can be employed as an umpire with our league.

It is a great first job for kids, learning how to interact with others, applying rules to ensure the game is played correctly.

IF interested, please email our Umpire-In-Chief at umpires@westhillbaseball.com.

Interested to VOLUNTEER?

We are operated by volunteers like you! IF you would like to help with any of our events, please email:

info@westhillbaseball.com.
