

Dumbovic Appointed Boys Coach at Andrews Osborne Academy

**Andrews Osborne
ACADEMY**

Opportunities · Values · Achievement

Andrews Osborne Academy recently appointed Drago Dumbovic, Croatia Cleveland Technical Director, as its boys varsity head coach. Coach Dumbovic takes over a successful side who was last year's district runner-up, losing to eventual regional finalist Kirtland High School. The side has many carry-overs from last year's successful side. Coach Dumbovic is eager to begin working with the group and, with hard work, hopes to find Andrews Osborne Academy back in the district finals where they can avenge last year's loss.

Croatia Juniors has worked closely with Andrews Osborne Academy, funneling players from the club to the program. Croatia Cleveland has now called Andrews Osborne Academy home for the past 6 years where it's seen the club grow due in large part to the unbelievable resources the school has been able to offer in terms of outdoor field space and indoor facilities.

We want to wish Coach Dumbovic much success in his quest to build Andrews Osborne Academy into one of Northeast Ohio's powerhouse soccer programs.

Best of luck, Coach!

It's That Time Again, Soccer is in the Air!

What a year it was for all of our Croatia Cleveland Juniors teams last season. The season marked many highlights during the 2020-2021 season. From personal player development, to overcoming the pandemic, the club took major steps in becoming the elite premier soccer program in Northeast Ohio. The club showed well everywhere it went. From State Cup success to GLA playoff runs to CASA league player development, the club continued to solidify itself as one of the best clubs in Northeast Ohio. Along with all the on-field success, many relationships among players, families and friends were forged. The game and club brought so many wonderful people together. We want to thank all the parents, players, administrators, managers, and coaches in making the 2020-2021 season a memorable one. We look forward to building on last year's success. Through the first few weeks of the season, the boys and girls are off to a great start. Thank you for entrusting your child's soccer development to our club and staff. We are all in this together!

Croatia Cleveland Labor Day Tournament

On behalf of the entire Croatia Juniors organization, we would like to thank all the parents that helped us grow this past season. From spreading the good word about our club to the continued support of our teams, and those parents and families that helped make our Croatia Cleveland Labor Day Tournament a huge success: we thank you!!!. The tournament weekend was filled with so many lasting memories. None of it would have been possible without the volunteer efforts of our families and friends. We are stronger in numbers and our success hinges on the support of the families in the club. Fortunately for Croatia Cleveland, we have the "Best!" Thank you!!
