

# Women's Officiating Seminar

## **WE NEED YOU!**

The opportunities for Female Officials is amazing. Through the USAH Development Program and your Local Association, you have the chance to develop as an official. Opportunities to officiate at the District, State, National and even International Level is not out of reach. I strongly recommend giving officiating a try. You will meet great people and understand the game on a whole new level.

-Melissa N. Szkola (Michigan Women's RIC)
