Dear CCM/MNH HP 15 Hockey Participant,

On behalf of Minnesota Hockey we wish to thank you for your participation in the 2019 CCM High Performance 15 Spring Hockey Festival held at Plymouth Ice Center.

There have been many comments from festival staff members that not only was this one of the most successful festivals, it was definitely very competitive. Because of the competition it was extremely difficult to make the selection of players that have been invited to attend the 2019 CCM Minnesota Hockey High Performance 15 Summer Development Camp in St. Cloud. Unfortunately, you were not named to that group. However, we hope that you enjoyed a positive experience and will use it as an opportunity to learn. We encourage you to continue working hard and striving to be the very best that you can be.

Please remember that next year you will be eligible for consideration in the CCM Minnesota Hockey High Performance 16 Program. Historically there has been approximately a 50% change in players moving on to this level.

We wish you the very best of luck in the future, both in the classroom, on the ice, and in your life as you move forward.

Sincerely;

Scott Dornfeld
