June 2024

District 127 Scholarship Program

For the first time ever, the Colts scholarship was available to **four** eligible recipients in D127! The \$2,000 scholarships for a cheerleader and football player, with at least four years as a Colt and a two years playing the sport as a Knight or a Ram, were presented to very deserving seniors at athletic awards celebrations in May. Congratulations to Matty, Bella, Carter and Grace!

Thank you, Sponsors!
