

Cypress Youth Baseball Do Not Draft Policy

Cypress Youth Baseball recognizes the importance of strong manager/parent/player relations in order to encourage the best learning and development environment for our boys and girls.

In recognition of this philosophy the Cypress Youth Baseball board allows a parent/player to place a "do not draft" restriction on **one** manager assigned a team in the division their child will participate in.

***This option is only available if the player has previously played for that individual, in a manager or coach relationship within the Cypress Youth Baseball Organization.**

Process:

In order to request a Do Not Draft to be placed on a manager or coach, the option will be included in the online registration process. Please fill out the information accordingly during registration.

or

Parents may place a do not draft designation on one manager or coach by emailing the following to the Player Agent at playeragent@cypressyouthbaseball.org:

- Player's Name and Division
- Manager or Coach Name
- Year and Division player was on designated manager or coach's team
- Reason for request
- Parent name and contact information

Requests submitted without all of the above information- or- submitted after 5:00pm on the day of the division draft cannot be honored!
