

Find and Follow Teams

Finding and following a team is a little different based on whether you are a guardian or a rostered team member, or a fan.

Following a Team as a Rostered Member or Guardian

If you are a Rostered Member or a Guardian of a rostered athlete on an active team, your team will appear on the Teams tab by default. If you are unsure whether or not your league has activated your team, you can check if your team is visible on the league's website.

Finding and Following a Team as a Fan

If you're a fan of a rostered athlete, you can follow the team(s) using these steps:

1. Tap the **Teams** tab.
2. In the upper right-hand corner, tap the **magnifying glass**.
3. Search for the team's name.
4. Locate and tap the desired team.
5. Tap **Yes, Favorite This Team**.

Unfollow a Team

1. Tap the **Teams** tab.
2. Select the Team you wish to remove.
3. In the upper right-hand corner, tap the **Star**.
4. Tap **Remove** to confirm.
