

Travel vs REC*

2020 OSA Programs Summary

Travel Softball

Travel teams are perfect for the players who can commit to more games and have some weekend tournaments with local travel. All travel players will need to attend tryouts. No player will be turned away, tryouts are for the team formations. Teams are formed based on their birth year, so a team may consist of 3 different grades. (Example: a 3rd grader with a 2010 birthday can try out for 10U and be placed on a team with other 2009 and 2010 birthdays.)
