

Andres Zelaya, Horizon's running backs coach, is a powerful addition to the coaching staff. Having graduated from Rivera High School (Brownsville, TX), where he played center and defensive line, Coach Z continued to Texas A&M Kingsville and a victory in the 2016 Live United bowl game. Zelaya earned his undergraduate degree in history, and stayed with Kingsville for five years to kick off his coaching career. He brings a rich coaching experience with him: he's worked with quarterbacks and running backs, coordinated offense and special teams, and served as a JV head coach (Maricopa, AZ).

Coach Z enjoys helping guide his players to be the best citizens they can be in their communities; he adheres to his Texas family's mindset of the value of hard work. He's greatly looking forward to his upcoming wedding to his fiancée, Giselle, and in his spare time just might be found collecting trading cards at conventions.
