**President's Report:** Troy

**Treasurer's Report:** Troy

Troy presented us with the Financial Report. The LTAC reimbursement money can be submitted next month. We looked at costs, comparing the last two years. We don't need to raise our dues at this time, but we need to be thinking forward to the future as costs continue to rise.

### Old Business

#### 1. Buchanan Appeal Update

As noted last month, following an incident on the ice at a regularly scheduled game, Coach Blake Buchanan has gone through the disciplinary actions within MLYHA. The discipline committee met with the executive board per our policy Coach Buchanan received an expulsion from volunteering in our association. This included representing our association in any manner including, but not limited to, volunteering, coaching, managing and serving on the board. Coach Buchanan filed an appeal with PNAHA. The MLYHA decision and process was upheld through the appeal process.

#### 2. City Update from Scott

The chiller replacement has been approved. The next step is that the job goes out to quote and then it gets ordered. Scott continues to work with the city to make sure it is moving forward. We will have a season this year and we will communicate this to our association.

#### 3. Treasurer Appointment

Kelli will send out an email asking for any interest in the open treasurer position. We would prefer a person who has some experience with finances, accounting or using Quick Books. If a person is not found, Kelli is willing to step-up and finish Troy's term. This would open the secretary position for appointment.

## **New Business:**

### **4. Monthly Meeting Notification/Location/Day**

Our board meetings will be the 1st Tuesday of the month. This will prevent conflicts with the City Council meetings. We are finalizing the location.

### **5. Season Wrap-Up Survey**

Dan is going to work on this. We will send it out and then move on from there.

### **6. Volunteer Positions**

We went over the document that Troy has been working on. We discussed positions and duties that Troy had come up with. We offered some suggestions and additions to be added. We will continue to work on refining these position descriptions.

### **7. 2026-2027 Coaching**

There was some discussion on our process for selecting coaches. It was suggested that we add an application process for all coaches. A simple process for coaches to let us know they are interested in coaching in our program. We will revisit this next month after we go through the survey results and feedback from our families.

**Next Meeting: May 5th, 5:30pm**
